User Guide:

Main Steps for using smsParking service:

This service is available without registration for all private plate numbers that are licensed and registered in one of the seven emirates of U.A.E. and by following the steps below:

Step1:

First; Send an SMS to the number 5566 in the following format:

Plate source<space>Plate number

Example: Shj 5215

Kindly take the following notes into consideration:

- smsParking is offering parking reservation for one hour only.

- Plate source should be abbreviated in the following formats: (Sharjah: SHJ, Dubai: DXB, Abu Dhabi: AUD, Ras Al Khaimah: RAK, Ajman: AJM, Fuhairah: FUJ, Umm Al Qaiwain: UAQ).

- Arabic users need to type A as the first word in order to receive the response in Arabic.

To: 5566
Shj 5215

To: 5566
A Shj 5215

Second; you will receive a confirmation message which includes your virtual permit details. Please do not delete this message.
